

REMARKS

The Office Action dated March 21, 2005 contained a requirement pursuant to 35 U.S.C. 121 that Applicants elect the invention of one of the following groups of claims for prosecution in the above-identified patent application.

Group I: Claims 1-21

Group II: Claims 22-27

Group III: Claims 28-38

In reply, Applicants elect without traverse to have the invention of Group I, claims 1-21 examined. Claims 22-38, which are drawn to the inventions of Group II and III, are canceled. Applicants reserve the right to seek examination of the inventions of Groups II and III in divisional applications.

Additionally, Applicants are now amending claim 10 to correct a grammatical error.

Please contact the undersigned attorney at (408) 927-6700 if there are any questions concerning this submission.
